Nikhil Mathur

👤 Profile

Dedicated college student searching for employment. Bringing a positive mindset and a diverse set of abilities to the table. Expert in a variety of social networking platforms as well as office technologies. I'm committed to using my expertise to help a firm achieve its goals.

I'm looking for opportunities to help me improve and evolve as a person. I've always believed that it's better to learn everything than to know everything. Adaptable and willing to learn.

🎓 Education

Bachelor of Technology - BTech Computer Science, Tula's Institute
August 2019 — August 2023

★ Projects

Studiffy
May 2021 — July 2021

its a free platform where students can find personaly prepared and quality study material for free and there are games quizes and many more things www.studiffy.com

Shayar Website
March 2022 — March 2022

For a client, I created front-end design for Home pages and other category sites. It was a website where you could upload your work and demonstrate your talent to others.

PnInstitute
March 2022 — April 2022

Pn-Instute was the name of a website dedicated to coaching classes. I produced multiple pages with my team and met all of the client's requirements, such as effects, bespoke downloads, and so on.

I was leader of literature club of my college "Expresso". My
role was to guide student's interested in literature, poetry,
soft skills like public speaking, debating, Group discussion and
anchoring also formal and informal both.During my tenure
i hosted and volunterred for many events in my college
https://in.linkedin.com/company/tula%27s-institute

IEEE Chairperson

December 2021 — December 2022

Led a team of young enthusisats who have intrest in leraning new
technologies and ready to adapt and learn as IEEE Chairperson of Tulas
Student Branch UP section. As a chair I conducted events also related
to it

IQAC St. Member

January 2021 — August 2022

As a member of the IQAC, I have to make a number of decisions
affecting the curricula at the college and contribute to the creation of
policies that will benefit students.

Using my intelligence, I've been able to successfully implement
changes that are assisting my institute in meeting higher student
targets.

I am responsible for coordinating with my college's higher authorities,
including the dean, our vice president of technology, and other faculty.

Convener Society CSE

August 2021 — August 2022

As the leader of our department society, it was my responsibility
to organise various activities and encourage students to learn about
cutting-edge technologies in order to foster personal development.

I've led a number of events with a variety of educational activities and
interactive workshops.

★ Certifications

Internship

February 2022 — April 2022

I have completed internship with vaug digital solutions and the
certificate for selection and completion

Excellence

August 2021 — August 2022

I was recognized as the department's most valuable asset since I
performed above expectations in every academic, extracurricular, and
co-curricular activity throughout my college . I have continued to earn
outstanding grades while participating actively in all organizational
events.
